

Ice Cream Dessert

From Cindy Dundon – can (halve) recipe using an 8"x8" pan, use low calorie cool whip or ice cream sandwiches. Can add ¼ c amaretto to cool whip, if desired. Great crowd pleaser.

Ingredients:

- 12 ice cream sandwiches (6)
- ¼ to ½ c amaretto or to taste! (¼ c)
- 1 bag heath bits (half bag)
- 1 large carton cool whip or 2 small (1 small)
- 1 6 oz. pkg. Slivered almond (half pkg.)

(Broil almonds to golden brown – watch!!)

Place sandwiches in 9" x 13" baking dish (cut them to fit). Poke holes with fork. Pour amaretto over sandwiches. Sprinkle half of heath bits over sandwiches. Spread cool whip over top (can add ¼ c amaretto to cool whip, if desired). Sprinkle rest of heath bits on top and toasted almonds last. Freeze overnight. (Caution: almonds burn easily – watch them!)
